

Broadband MEA held from the 25 – 27 March 2012 is the region’s premier broadband event attracting 1,000 decision makers from across The Middle East and Africa. Now in its 4th year, the event is the only place to meet the entire industry under 1 roof.

The 3 day comprehensive programme including the BRAND NEW Rural Broadband Summit brings together 70+ speakers including 40+ operator case studies to address the current issues

surrounding broadband. Download the brochure by visiting

<http://mea.broadbandworldforum.com/conference/download-brochure/>

With our most impressive speaker line-up to date, the conference focuses on Fixed Access Evolution, Mobile Broadband Development, Service Implementation and Monetisation, Regulation and Digital Inclusion whilst the free to attend world class exhibition boasts most features than ever before.

For more information or book your place at the event visit www.broadbandworldforum.com/mea

Operators – don’t forget to claim your exclusive 50% discount when purchasing a full conference pass!
